Dear families,

**RE: Work Experience - 22nd June to 26th June 2026**

We are pleased to inform you that the Leytonstone School work experience week for current Year 10 pupils will take place from **Monday, 22nd June, to Friday, 26th June 2026**. This opportunity has been scheduled immediately after their Year 10 mock exams, allowing them to decompress and support their teachers in marking assessments in time for the end-of-year reports.

We believe that work experience is an invaluable opportunity for secondary pupils. It allows them to explore career interests, develop essential communication skills, meet new people, and discover their strengths, values, and motivations. Above all, it gives them insights into what inspires and excites them about their future careers.

We strongly encourage pupils to secure their own work experience placements, as self-sourced opportunities often lead to higher-quality, more engaging experiences. Pupils benefit most from placements that align with their interests, and we encourage families to help their children explore and research suitable options. For pupils who are unable to secure a self-selected placement, the school will assist in finding suitable options that meet their needs and preferences.

We would greatly appreciate your support if you or a family member could host other pupils at your workplace. Please complete [the employer form](#) to offer a placement. Your involvement can make a significant difference in the experiences of our pupils, helping them explore different industries and career paths.

Further information will be provided as part of the programme.

In the meantime, if you have any questions, please do not hesitate to contact Ms A Landowska at [alandowska@leytonstoneschool.org](mailto:alandowska@leytonstoneschool.org).

Yours faithfully  
Ms A Landowska  
Enrichment & Career Lead
