

Thursday, 22 April 2021

Dear families,

Re: Year 11 Parent and Carer Evening: Thursday 29th April 2021 from 4.00 – 7.00pm

At Leytonstone School, we want all pupils to achieve the best possible results. To ensure this, we need to make sure that we continue to work together in supporting pupils towards that same goal.

At the Year 11 Parent and Carer Evening, you will have the opportunity to speak with all your child's subject teachers about the curriculum they are following and how prepared they are for their next set of mock exams.

You will be provided with information about your child's current attainment levels, along with support and interventions that your child may need before heading into this busy exam period.

Appointments will take place remotely and so can be accessed at home.

Appointments can be made to see your child's teachers through our Edulink system

<https://www.edulinkone.com/#!/login>

To login, **enter the School ID or post code as E11 1JD** and login using the login details provided to you before the Christmas break. You can also download the Edulink App from Google Play or App Store.

If you would like a reminder of the log in details sent to you please email school@leytonstone.waltham.sch.uk with your name, your child's name and form group.

It is vital that you attend this evening as teachers will be able to provide an indication of the grades your child is likely to achieve when teacher-assessed grades are sent to exam boards at the end of the year.

I really hope you can attend and I look forward to seeing some of you.

Yours sincerely

Mr Davis

Head of Year 11
