

Year 6 transition Art Project

- Read through the Leytonstone school ethos carefully. If it were an artwork, or a series of artworks what would they look like?
- Using the Leytonstone Ethos create an artwork which represents some or all of the Ethos Statement.
- You can use any materials for this task, traditional art materials like paint and pens, or found materials, like collage from newspapers, or your phone as a camera.
- Bring along your art piece on the first school day! Have fun!

LEYTONSTONE ETHOS

Leytonstone School is a village.
We are proud, a family, a community; we are citizens.
We work hard together, hands held, challenged to improve, and we improve, every day.
Every member of our community is dedicated to growth. We are both teacher and student; when we make mistakes, we reflect, regroup and improve.
As Leytonstone citizens we know what we want and we know how to get it.
We are curious, we ask questions we delve and discover. We seek experiences which will broaden our horizons and we are equipped to manage the unknown; we are brave and knowledgeable.

We know that Rome was not built in a day; we dig deep, stick in our heels, and we make gains.
We think, we observe, we are chameleons; ready for any and all situations.
We are many, a family from near and far, different in race, creed and belief. We value and understand our diversity.
We are healthy in mind and body. Life brings us challenge, but we take care of ourselves and each other; when things get difficult we know where to go.
We are the future; we shine bright; we are powerful beyond measure.
We are Leytonstone School Citizens.
