Re: Year 11 'Study Hall' - Information

Dear families,

It was lovely to see some of you at our Year 11 Partnership Evening on Thursday evening and I wanted to follow up with some of the requested information. We are very much looking forward to working closely with you to ensure your child achieves their very best over the coming months.

In order to provide our Year 11 pupils with the best chance of achieving their potential this year we are relaunching 'Study Hall' on **Tuesday 28th September**.

Organisation

Year 11 Study Hall will take place over three days of the week from 3:15pm - 4:15pm.

- **Tuesdays:** Science/ Option subjects (excluding Arts subjects)
- **Wednesdays:** English and Maths:
- **Thursdays:** Practical Option subjects (Technologies & Creative Arts)

LRC - Private silent study

MB07 - Group study

Mezzanine – 1 to 1 Study with a member of staff

Practical Areas - Practical subject teachers will work with pupils in their classrooms.

A member of staff will be supervising sessions at all times.

Registration

Students will be registered via a google sheet which will be available on entry.

Resources

There will be boxes for each subject placed in the LRC for Year 11 pupils to use as they need. Teachers from different departments will be providing suitable subject specific revision resources needed for Year 11.

If you have any questions please get in touch.
