

Re: Eid 2023 – Partial school closure

Dear families,

Eid is likely to fall on Friday 21st April this year. Approximately 20 members of staff at the school will be celebrating this festival and will not present in school on that day.

This shortage of staff means that it will not be possible to safely open the school, and so pupils in Years 7, 10 and 11 will attend school as usual, but **pupils in Year 8 and 9 will work remotely from home.**

Pupils with social workers and those with EHCPs will be expected in school as per usual.

Independent learning tasks for the timetable on this day will be posted on Google Classroom for pupils in Year 8 and 9 to complete.

Please accept our apologies for this inconvenience, especially during a half term where pupils will face a lot of disruption as a result of the bank holiday, the King's coronation and further strikes by members of the NEU.

Yours faithfully,

J McQuaid

Head Teacher
