Working in partnership

- If you have any questions this evening, please place these on the A3 sheets and we can look at these later this evening.
- We will always endeavour to keep you informed of important dates in the calendar, i.e. mock exam week and work experience.
- We will be in contact with you regularly for both positive reasons and if things don't go quite right as well.
- We will update you if we feel that your child's attendance or punctuality is becoming a concern.

- However, this is a 2-way process.
