

Maths – How to get the best GCSE grade I can?

- Use past papers, exam questions and topic tests. These can be found on the Google Drive (with some spares in the Maths Office)

Go to
shared drives

- Ensure that you have the equipment
 - Full maths set
 - Scientific calculator
- Create revision materials and if you prefer revision guides we recommend the CGP guides

Useful sites:

- Maths Genie – Revision and exam papers
- Corbettmaths – Exam practice, videos and 5-a-day
- Sparx Maths – Topic based questions and support
- OnMaths – Online practice exams
