

Dear families,

**RE: GCSE Results Day**

GCSE Results Day will be taking place on **Thursday 22<sup>nd</sup> August, 2024**. pupils are invited to join their peers in collecting their results from the main school hall between **9.30am and 11.30am only**.

At results day, support will be available from the Careers Lead to discuss possible routes and options for further education should they wish to take advantage.

All pupils will be required to provide a signature in order to collect their results. If you wish any other person (including family members) to collect on your child's behalf, they must be provided with written consent to be brought with them, along with photo ID, in order for results to be handed over.

Candidates who do not collect their results at this session will receive their results by 1<sup>st</sup> class post. Results will not be given out by telephone under any circumstances.

Certificates will be arriving at the school in November 2024. You will be sent further information as to when they are available for collection in due course.

Congratulations, and good luck for the future.

Yours faithfully,

Miss Marie Brookes  
**Exams Officer**
