

Re: Level 4b detention changes

Dear families
I hope this letter finds you well.

Over the last three months we have trialled an opportunity for your child to opt to retake their Level 4 detention the following day (within a Level 4b detention). This trial has now come to a close.

We shall be moving to a process whereby if you child misses their Level 4 detention then this will escalate to a Level 5 detention automatically.

The school behaviour policy will reflect this over the coming months and your child will be made aware on our Google pastoral pages and this week during assemblies.

Please accept this letter as this policy change until these changes appear in the behaviour policy on the school website in due course.

Yours sincerely,

Mr P Hunt
Deputy Head Teacher
